For Stangate call 513-300-7385

Directions to UK Patient Tower for deliveries:

Take 75 south to Exit 115 Lexington Airport / Newtown Pike, merge right onto Newtown Pike. Go through a few lights and take Circle 4 freeway toward airport. Stay on Circle 4 and take Exit 6 Old Frankfort Pike. At the exit take a left towards Lexington and go about 1.5 miles. Turn right at South Forbes. You will be going east and South Forbes will change names into Red Mile and then Virginia Ave. Proceed past S. Broadway SR68 a few more blocks and TURN RIGHT on Limestone Blvd SR27. Go south 6 short blocks (1/4 mile) to the southern end of the site then turn left into the construction driveway at Gate 2.

This driveway is one way East. After unload, proceed East out G3 which is Hospital Dr. Go two blocks and turn right on University Dr. Go one block and turn right on Cooper Dr. Go about 1/4 mile and turn right onto Limestone Blvd. Proceed North 6 six blocks. Turn Left onto Virginia Ave and retrace the map back to I75. Appointments will be necessary and there should be someone there to unload at the appointment time. Stu Cameron Site Superintendent for CinFab 513-616-0920 mobile.

- Due to traffic congestion, it is highly recommended to take the same route when leaving Lexington. You will also pass the CinFab Lexington plant located on the south side of Old Frankfort Pike about 1/2 mile off Circle 4.
